SMOKE ON THE MOUNTAIN
The Worship & Performing Arts Department will present the comedic off-Broadway play with music: SMOKE ON THE MOUNTAIN, written by Connie Ray and conceived by Alan Bailey, directed by Jennifer Felty. The cast of seven not only sings and acts, but plays all of the instruments, including upright bass, banjo, mandolin, and even a washboard! It’s June of 1938 and the Sanders Family has been invited to do the first ever Saturday Night Gospel Sing at Mt. Pleasant Baptist Church. Reverend Mervin Oglethorpe is determined to move his congregation into the modern world. Bringing the Sanders Family into the church with their guitars and fiddles, however, turns out to be a bit more than he bargained for. Join us for an evening of uplifting bluegrass gospel music and witness with the Sanders Family! Seating is limited for this show in the round in the Good Shepherd Chapel. Tickets are $10 for adults and $5 for students and can be purchased online at lbc.edu/events.

THRIVING CHURCHES IN A HOSTILE CULTURE
The stunning cultural and political changes in our world in the last year have left many Christians reeling with questions and concerns. Churches in America are facing the potential of unprecedented hostility in the years to come. Yet, the growing pressure on churches can also be seen as an opportunity for great growth of the gospel. Lancaster Bible College is pleased to present a one-day pastor’s conference from 8:30 am to 3:30 pm called Thriving Churches in a Hostile Culture. Our featured speaker, Dr. Timothy Z. Willmore, is the author of The Shepherd Leader (P&R, 2010) and The Shepherd Leader at Home (Crossway, 2012), and pastor of Stephen Church in New Holland, PA. He has also served as professor of Practical Theology at Westminster Theological Seminary for almost 20 years. Tim will walk us through the principles of leading a church in a hostile world, and help us trust the sovereign God who is on the throne. The cost is $29 (cash/check) and seating is limited. To register, go to lbc.edu/events. Coffee and lunch will be provided along with a free book to all attendees. For more information, please call 717.560.8200 x 5555.
