Social Work Program Admission Requirements

Students are able to declare their study within the Social Work Program upon admission to Lancaster Bible College. However, students unable to achieve a minimum, overall GPA requirement of 2.5 will NOT be invited to apply for admission to the Social Work Program. The student’s advisor will counsel them regarding other academic options.

Should the student receive a formal notice of invitation, they will be guided in preparation for formal acceptance into the Social Work Program once the following requirements are met:

- Students MUST take the following Social Work courses and must have a “C” or better to be formally admitted to the BSW program.
  - SWK102: Introduction to Social Work
  - SWK 202: Social Work Policy
  - SWK 204: Cultural Diversity
  - SWK 206: Human Behavior and the Social Environment I
  - SWK 207: Human Behavior and the Social Environment II
- Students MUST have a 2.5 cumulative GPA in order to be invited to apply for admission.
- Students MUST have fulfilled the 2 semester requirement of Christian Service and document this in their Portfolio.
- Students MUST write a self-assessment of their progression in understanding their developing role as a professional social worker.
- Students MUST submit letters of recommendation: one personal, one professional/vocational and one educational (from a non-social work professor).
- Students MUST complete the application form.
- Students MUST provide a current resume.

Once these requirements are met, the student makes an appointment with the Social Work Program Director (to occur no later than the last week in April for fall admission) to discuss their interest and intent regarding the Social Work Program.

Interviews will be scheduled with interested students prior to the end of the semester. Each student will receive written notification of the decision pertaining to their admission into the Social Work Program once all of the requirements have been met. The Admission Committee is comprised of the Social Work Program Director, Social Work Program Field Director, and other social work faculty members.

Of important notice, in the evaluation of transfer credits or past experiences, academic credit is not given in Lancaster Bible College's Social Work Program for life experience or previous work experience.
A student who does not fully meet one or more of the admission criteria may be admitted to the Social Work Program on a provisional basis, primarily due to not completing one of the foundational social work courses. This decision is made by the Admission Committee. Students will only be invited to apply to the admissions process if their GPA is 2.5 or greater. Students must also maintain a 2.5 or greater overall GPA in order to remain in good standing with the Social Work Program. Students who fall below the 2.5 GPA requirements will be given ONE semester (15-18 credits) to improve their GPA to acceptable standards (2.5 or greater). Faculty will monitor the student’s progression with their GPA. The following serves as some recommended activities for the student to consider if there are ongoing academic struggles:

- Attend weekly tutoring through the Ally and Writing Centers
- Consider participation in study groups or private tutoring
- Re-evaluate work or extra-curricular activities
- Attend all classes and minimize the use of skips for emergency purposes
- Proactively meet with the professors if academic challenges exist in the courses
- Consider using the free services of the C3 Counseling program
- Develop an organization system for course assignments
- Consider taking summer/winter courses in order to lighten the academic load during the Fall or Spring semesters

A student who fails to meet the GPA requirement by the end of their Junior year is ineligible to participate in their Field Internship during their Senior Year. Failure to demonstrate satisfactory academic performance within the timeframes will result in dismissal without possibility of re-admission to the Social Work Program. The student would be advised to consider changing their major to Biblical Studies with a Human Services concentration. The Social Work Program also complies with the Lancaster Bible College's policy on Academic Probation outlined in the following section.

**Academic Probation**

Students with a cumulative grade point average below 2.00 will be placed on Academic Probation. Students on Academic Probation who have the following grade point average or below may participate in one extracurricular activity at any one time:

- Freshman (up to 29 hours) 1.70 GPA
- Sophomore (30–59 hours) 1.80 GPA
- Junior (60–89 hours) 1.90 GPA
- Senior (90 or more hours) 2.00 GPA

Students below these minimum GPAs may not participate in any extracurricular activities.

All probationary students must attend two weekly appointments with a tutor in the Reaching Academic Potential (RAP) Center, the College’s academic assistance program. In addition, they must sign-up for two weekly study halls. Study halls are offered throughout the day as well as the evening. Hours are chosen at the convenience of the student. The specific schedule for RAP is posted on campus the beginning of each semester.
The Veteran’s Administration will be notified if a student receiving VA benefits does not meet the academic progress requirements after serving a probationary period of two semesters.

**Academic Dismissal**

Any student whose cumulative grade point average is below the minimum standards at the end of an academic year will receive notification of his/her academic dismissal from the Dean of Undergraduate Education. The minimum standards are:

| Hours Registered Toward Graduation Requirements | GPA

<thead>
<tr>
<th></th>

<tr>

</tr>
<tr>
<td>60–89</td>
<td>1.75 GPA</td>
</tr>
<tr>
<td>90+</td>
<td>1.90 GPA</td>

</tbody>
</table>

Appeals of academic dismissal may be made by the student, in writing, to the Undergraduate Student Appeals Committee.

**Academic Mentoring Services**

The College provides academic mentoring and support services at no cost to all currently enrolled LBC students. Peer tutors and professional personnel provide assistance with major projects, budgeting and organizing study/work/personal time, reviewing of class material, test-taking skills and study strategies. Free 11x17 semester calendars for plotting out assignments/projects/exams and 3x5 note cards are also available. The Ally Center is generally open for appointments during the school term Monday through Thursday, 8:00 AM to 5:00 PM and 6:00 PM to 8:00 PM, and Friday, 8:00 AM to 3:00 PM.

Students may sign up for semester-long weekly appointments or make appointments as needed. Appointments can be made by stopping by the Center, signing one’s initials on the calendar in the Ally Center (if the Center is closed when stopping by), or calling the Center (ext. 5389) during business hours to schedule with the Department Assistant.

For more information regarding AMS, stop by the Center located in the Teague Learning Commons.

**Retention in the Social Work Program**

Students who are admitted to the Social Work Program need to maintain an overall GPA of 2.5. They must obtain a “C” or greater in all of their required social work courses. Effective for the class of 2020, all students MUST receive a “C” or greater in social work electives.

Due to the nature of social work practice and the expectations of a professional program, academic standards for continuance in the Program include professional behaviors and practices. All policies and procedures contained in this Handbook as well as the Field Manual are expected to be maintained. Social Work students are expected to adhere to the National Association of Social Workers (NASW) Code of Ethics (see appendices).
The Academic Integrity Policy is attached in the appendices. The Lancaster Bible College Disciplinary and Judicial Process is attached in the appendices.

**Goodness of Fit Policy**

This policy reflects the collaboration between the Social Work faculty and student representatives from Phi Alpha.

**Purpose:**
The purpose of this policy is to provide guidance to students who experience significant interpersonal difficulties while studying at LBC which may prevent them from demonstrating competence needed to enter the Social Work Program.

**Rationale:**
The LBC Social Work Program evaluates student performance in line with the NASW Code of Ethics. “Social workers who function as educators or field instructors for students should evaluate students’ performance in a manner that is fair and respectful.” (NASW Code of Ethics, 3.02b—Ethical Responsibilities in Practice Settings)

Occasionally, a student may present with interpersonal characteristics that may prevent them from providing ethical service to clients through their Practicum or Internship. The Code of Ethics outlines the following ethical responsibilities to colleagues:

**2.09 Impairment of Colleagues**

(a) Social workers who have direct knowledge of a social work colleague’s impairment that is due to personal problems, psychosocial distress, substance abuse, or mental health difficulties and that interferes with practice effectiveness should consult with that colleague when feasible and assist the colleague in taking remedial action.

(b) Social workers who believe that a social work colleague’s impairment interferes with practice effectiveness and that the colleague has not taken adequate steps to address the impairment should take action through appropriate channels established by employers, agencies, NASW, licensing and regulatory bodies, and other professional organizations.

**2.10 Incompetence of Colleagues**

(a) Social workers who have direct knowledge of a social work colleague’s incompetence should consult with that colleague when feasible and assist the colleague in taking remedial action.

(b) Social workers who believe that a social work colleague is incompetent and has not taken adequate steps to address the incompetence should take action through appropriate channels established by employers, agencies, NASW, licensing and regulatory bodies, and other professional organizations.

**Scope:**
This policy applies to all Intent to Major Social Work students and may also be reviewed once a student is admitted to the Social Work Program.
Process:

- Social Work faculty observes each student in the classroom setting during their foundational years of study. In the course of the observation, faculty document student interpersonal concerns. Conditions that would warrant concern on the part of the faculty may include, but not be limited to, the following observable behaviors:
  - Chronic tardiness to class
  - Racially offensive words or behaviors
  - Lack of participation in class discussions
  - Failure to complete assignments in a timely fashion
  - Chronic excuses for missed work or academic performance
  - Excessive classroom disruptions
  - Inappropriate communication with faculty or others either in the classroom or outside, also including e-mail or social media communication
  - Failure to comply with faculty directives to correct behaviors
  - Dishonesty
  - Other concerning interpersonal challenges which interfere with learning in the following areas:
    - Communication skills
    - Cognitive skills
    - Appreciation of Diversity
    - Coping skills
    - Professional commitment
    - Professional conduct
    - Self-awareness
    - Ethical obligations

- Social Work faculty document the concerning behaviors in the student’s electronic file

- Social Work advisors interact with one another to ensure the concerning behaviors are communicated during advising

- Social Work faculty and advisors provide students with opportunities to seek counseling through C3. Students may sign a release of information for the faculty advisor to communicate with the counseling staff.

- Prior to Social Work Admission invitations, Social Work faculty meet with any student who has demonstrated any above-mentioned concern. This meeting is intended to discuss the interpersonal status of student performance as noted by the social work faculty.

- Students who have failed to make adequate corrections of their behaviors in the classroom and/or through advising will NOT be invited to apply for admission until satisfactory demonstration of interpersonal competence.

- Invitations for Admission submission will only be sent to those students who have demonstrated interpersonal competence.

If you have not completed these clearances, please follow these steps closely. When the clearances return, make copies of them for your records. If you have current clearances, understand that most volunteer agencies will need current clearances within a year of your start, therefore, it is highly encouraged for the student to have the most current clearances prior to the start of their Junior Year. The interview committee will want to see the clearances OR documentation that you have begun the process of clearances so as to measure your commitment to the Social Work Program.
