Logging in to Guest Wifi at the Lancaster Campus

Department of Information Systems, Lower Esbenshade, Ext. 4357

Guests at our Lancaster campus may make use of our free guest wifi to connect to the internet.

Please understand this connection is not encrypted, so we advise against the transfer of sensitive data like bank account information, credit card numbers, or personal information while connected. **Current LBC students are not to use the LBC Guest network.**

To connect, please do the following:

- Click on the wireless network icon  in the lower right system tray of your desktop.
- Select **LBC Guest**

- Then click on **Connect**

- Open your internet browser, either Chrome, Firefox, or Internet Explorer.
- You may need to load a page if your browser shows a blank page, so just go to <http://bible.edu>
- Click on "I ACCEPT THESE TERMS" after reading the agreement, or if you have already registered, enter your email in the lower box and click **login**

A screenshot of a web page titled 'Login'. The page has a blue header with the word 'Login' in white. Below the header, it says 'Welcome to the Lancaster Bible College's Guest Network'. There is a paragraph of text explaining that the network is restricted to authorized users and that traffic is monitored. Another paragraph states that data is sent in clear text and is not secure. A third paragraph says 'This network is for Guests only and is not for phones or entertainment devices. Students, Faculty, and Staff, please connect to the encrypted LBC network and use your college credentials to log in.' Below this, there is a line of text: 'If you have any questions, please contact HelpDesk at on-campus extension x4357. Please disconnect immediately if you are not an authorized user!'. Then, it says 'Click to continue and register:' followed by a blue link that says 'I ACCEPT THESE TERMS.'. Below that, it says 'If you are already registered, please login below:'. There is an 'Email' label followed by a text input field with an asterisk on the right. Below the input field is a 'Login' button.

- Enter your information into each box. You must fill in all boxes. Then click **Sign In**.
